DRUM MOND VILLE

Food waste

Paper and
cardboard
soiled by food

Garden
waste

Other

Clean paper
and cardboard

Plastic

Glass

Metal

- Disposable diapers
- Number 6 plastic (Styrofoam)
- Broken toys
- Snack wrappers and chip bags
- Cookie and cereal packaging
- Photos

- Carpeting
- Meat packaging containers
- Incandescent light bulbs (LED, fluorescent and neon bulbs are not accepted, because they are considered hazardous waste material)

**TO ENCOURAGE
EVERYONE TO
PARTICIPATE:**

RAISE AWARENESS

Display information on accepted materials on each bin for everyone to see.

FACILITATE

Place the bins in plain sight of the residents and ensure that there are sufficient green and brown bins, ideally one of each type for each residential unit.

TAKE RESPONSIBILITY

Designate someone to place the waste bins at the curbside the night before collection.

Did you know you can subscribe to **INFOCITOYEN** to receive texts and emails to remind you of the collection date?

ECOCENTRE - 819-477-1312
